

BYOD Configuration Guide for Windows

1. Connect to the College Enrolment Wi-Fi (**available in the Library and H10 area**).
Skip this step if you're already connected to the internet (e.g. home Wi-Fi or mobile hotspot).
Wi-Fi Network: **LilydaleHeightsEnrol** Wi-Fi Password: **byodlilydale**
2. Sign in to **Lilydale Heights BYOD Portal** using your school username and password.
If it doesn't open automatically, go to <https://byod.lilydaleheights.vic.edu.au> in your browser address bar

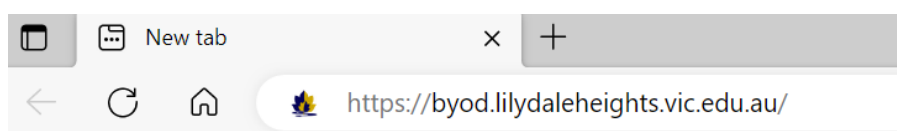

Step 1

Step 2

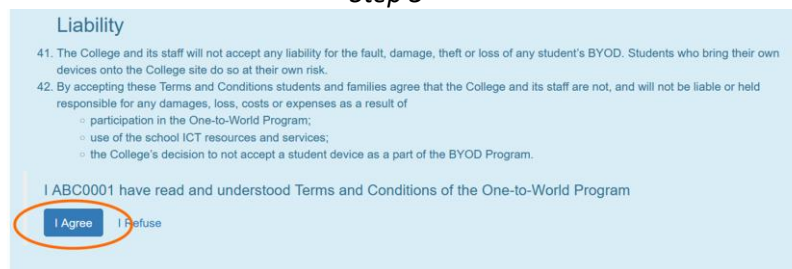

Step 2 (if required enter BYOD Portal in address bar)

3. Click **"I Agree"** to accept the program's Terms and Conditions.
4. Click **"I want to connect my Windows laptop."**
Review the brief instructions, then click **"Configure My PC"** to download the Config App.

Step 3

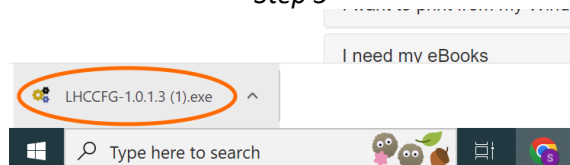

Step 4

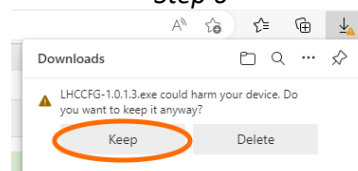

5. Locate the downloaded app — it appears in the **bottom-left** or **top-right** corner of your browser, depending on which one you're using.
6. You may need to confirm you trust the app to keep it.
If the **ConfigGuideWLauncher** app won't download or run, check your antivirus or other security software settings.

Step 5

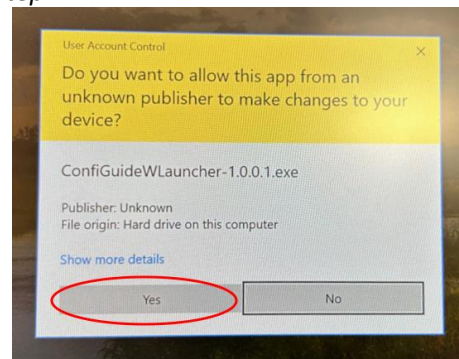

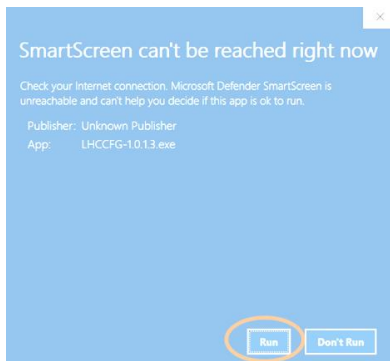

Step 6

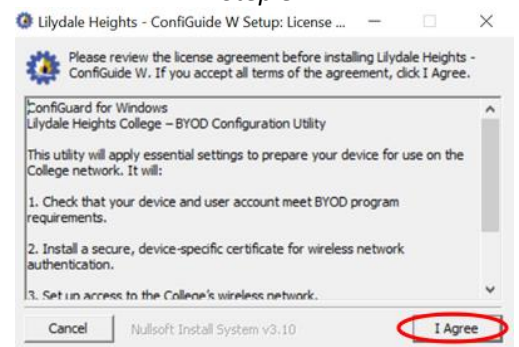

- Click **ConfiGuideWLauncher-1.0.0.1.exe** to open the app.
You may see warnings about an unknown developer or internet download — this varies by Windows version.
Click to allow and run the app.
- Click **"I Agree"** to accept the app's license agreement.

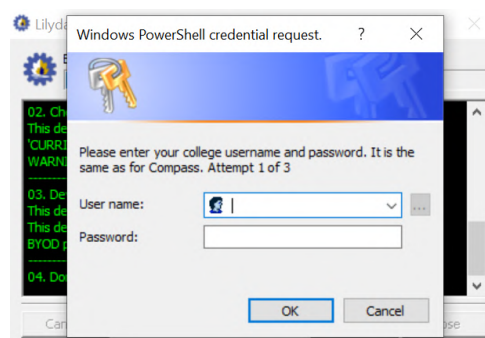

Step 7

Step 8

- Enter your school username and password to allow system changes.

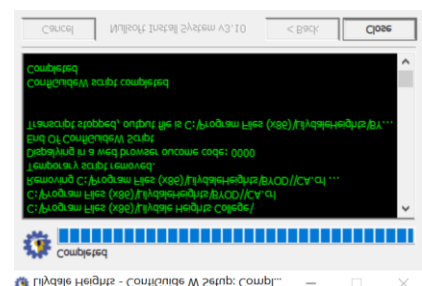

- The installation takes 1–2 minutes.
If successful, a confirmation message will appear in your browser. You can then close the app.

Lilydale Heights BYOD Configuration Success

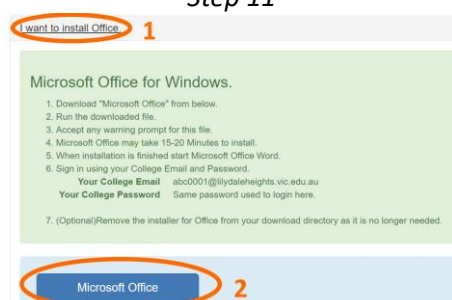

Configuration files and settings have been installed successfully.

Further Steps

- Now you may install **Microsoft Office** as well. Reopen BYOD Portal and Click **"I want to install Office"**, then **"Microsoft Office"**. The Office Installer will download like the BYOD Config App — keep and open it. Installation may take 10-20 min. When finished, sign in to Microsoft Word using your school email: **[username]@lilydaleheights.vic.edu.au** and your password.
- Reopen the BYOD Portal and click **"I want to configure school OneDrive app"**, then **"OneDrive Guide"**. Follow the downloaded guide to sign in and set up Microsoft OneDrive using your school email and password.
