

Installation Procedure

1. **Please read all instructions** before starting.
2. **Remove old school profiles** from your iPad by going to the settings app selecting General. If you see a button called **Profiles** open it. Select and remove each obsolete profile by clicking on **Delete Profile**. If you are not sure which profile to delete contact the College Helpdesk. If you don't see a profile button continue with step 3.

3. Connect to the College Enrolment WiFi network. **It is available at the library and H10 area. SKIP THIS STEP if you already have Internet connection**
Wi-Fi Network: **LilydaleHeightsEnrol**
Wi-Fi Password: **byodlilydale**
4. Sign in to Lilydale Heights BYOD Portal using your school username and password.
<http://byod.lilydaleheights.vic.edu.au>.
5. Accept Terms and Conditions of the Program
6. Click I want to connect my iPad. It will show you a brief instruction how to connect.
7. In the configure section select "Configure My iPad"

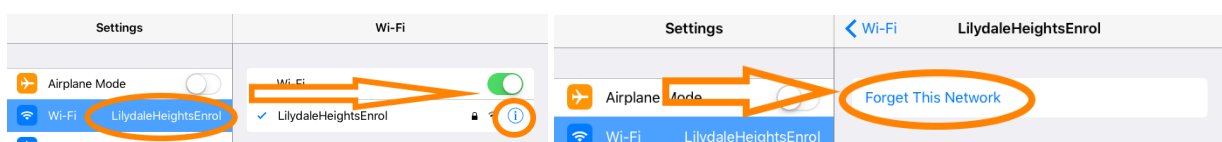

8. When you see the Install Profile popup window, select install in the top right corner.

BYO18-10S
Lilydale Heights College

9. If you connected to the LilydaleHeightsEnrol Wi-Fi network in step 3 you now need to disconnect from it. Open Settings Click on Wi-Fi and select the exclamation mark next to the LilydaleHeightsEnrol and select the option to "Forget This Network".

10. Your BYOD should now have access to the internet at Lilydale Heights College.
